

## Use pretax dollars for work-related transit and parking expenses.

The Transportation Equity Act makes it possible for employees to contribute pretax dollars to a Transit and/or Parking Account in order to pay for qualified work-related transportation expenses.

Depending on your tax bracket, you can save up to 40% on your commuting and parking costs by using pretax dollars—a significant tax benefit that reduces your taxable income.

### ELIGIBLE EXPENSES

#### TRANSIT ACCOUNT

Public Transportation  
(bus, train, ferry, subway)

Ride Sharing Services  
(UberPOOL, Lyft Line, vanpool)

*Funds cannot be used for regular Uber/Lyft rides.*

#### PARKING ACCOUNT

Park n' ride  
Parking ramps  
Parking meters

### TIPS

- Each \$1 you contribute to a pretax account reduces your taxable income by \$1.
- You can change your commuter benefit elections on a monthly basis.
- Store receipts in the Receipt Repository on the TASC mobile app for easy access!

## How it works.

You can choose to participate in the Transit Account or the Parking Account, or both! When you enroll in the plan(s), you elect an annual contribution for each account for the Plan Year, based on your anticipated expenses and IRS limits. That election is deducted from your payroll (before taxes) in equal installments throughout the year.

You will receive a TASC Card in the mail to use for eligible purchases. Simply swipe the card to pay for an eligible work-related expense, such as a subway pass or parking ramp fee, and the funds are directly withdrawn from your available account balance.

**IMPORTANT NOTE:** The TASC Card is the only way to access your Transit Account funds because the law does not permit cash reimbursement if you pay out of pocket. Cash reimbursement is only available for eligible out of pocket purchases under the Parking Account.

**In addition to tax advantages, commuter benefits also promote environmental responsibility. Employees who leave their cars at home and use public transportation greatly reduce their carbon emissions. When we reduce vehicle mileage, we improve air quality and help prevent serious illness.**

# How to participate.

It's easy to start saving with a TASC Commuter Benefits.

Just follow 3 simple steps:

## 1. DECIDE how much you want contribute for the upcoming plan year

Enroll in a Transit and/or Parking Account at the beginning of a plan year and elect a **monthly** contribution amount which will be deducted in equal installments per paycheck throughout the plan year. Also consider:

- The money you contribute to the account(s) can only be used for qualified work-related expenses and cannot be shared between accounts.
- If you need to adjust your elections, submit an Election Change Form to your employer and your payroll deductions will change on the first of the following month.

### PLANNING TIPS

Your contributions to each account are subject to IRS limits which can be viewed on our website:

 [www.tasconline.com/benefits-limits](http://www.tasconline.com/benefits-limits)

Check with your employer to see if your plan allows **rollover** of unused commuter account funds into the next plan year. If not, plan wisely and track balances throughout the year via our mobile app or secure web portal.

## 2. ENROLL by completing the online enrollment process each year

Your contribution will be deducted in equal amounts from each paycheck, pretax, throughout the plan year. Commuter benefit funds are only available as money is contributed (*money in, money out*).

When you enroll online you'll be given access to a secure, easy-to-use web portal where you can access and manage your account any time. We also offer a free mobile app to easily access your account(s) on the go.
